

Frost & Sullivan Best Practices Awards

Congratulations to the recipient of the

**2019 Asia-Pacific Healthcare AI
Technology Innovation Award**

Dear Christina,

On behalf of Frost & Sullivan, we are pleased to announce UCare.io Pte Ltd, as the recipient of the

2019 Asia-Pacific Healthcare AI Technology Innovation Award.

The Frost & Sullivan Best Practices awards have identified and honored best-in-class companies that have demonstrated excellence in their respective industries. Award recipients were identified based on in-depth interviews, analysis, and extensive secondary research conducted by Frost & Sullivan's analysts. Companies are typically studied on their revenues, market share, capabilities, and overall contribution to the industry in order to identify best practices.

For the Technology Innovation Award, Frost & Sullivan analysts independently elucidated the following key benchmarking criteria:

1. Industry Impact
2. Product Impact
3. Scalability and Application Diversity
4. Human Capital
5. Visionary Innovation

With its strong overall performance, UCare.io Pte Ltd has earned the 2019 Asia-Pacific Healthcare AI Technology Innovation Award. We also recognize that your receipt of this award is the result of many individuals (employees, customers and investors) making daily choices to believe in the organization and contribute in a meaningful way to its future.

Once again, we congratulate you on your achievements and wish you great success in the future. We are here to support you on any future endeavors.

Thank you,

Your Sincerely,

Subbu Bettadapura
Senior Director
Frost & Sullivan
